Safety Management System Policy Statement

Peppers Cable Glands Limited operates a Safety Management System compatible to the requirements of BS OHSAS 18001.

It is the policy of the business to manage its organisation in such a way that all Health and Safety risks associated with the activities of the business are kept to an absolute minimum.

The company is committed to the health and welfare of its personnel, and to a continual improvement of its health and safety performance. This shall be achieved by setting clear objectives, and monitoring the progress made against them.

The business shall ensure that:

- This policy is communicated to all employees.
- As a minimum, the business shall comply with all applicable legislation.
- The Safety Management System shall manage and control the health and safety aspects of its environment and personnel.
- Safety training shall be provided to all employees.
- There shall be regular reviews of the Safety Management System to ensure that it remains current and effective. Any changes that are introduced shall be communicated to all employees as soon as is practicably possible.

Signed

T Thakore
